// 01 TECHNICAL RIDER

01 **2 × Pioneer CDJ-3000 or 3000X** (preferred), CDJ-2000NXS2 (fallback) – linked via Pro DJ Link.

02 **Rekordbox compatible mixer:** AlphaTheta DJM-A9 (preferred), Pioneer DJM-900NXS2 (accepted).

03 If the above listed CDJs or DJ mixers aren't available: **AlphaTheta XDJ-AZ**.

04 **2 × active booth monitors** positioned at ear level, with separate booth control on the mixer (independent of master).

05 All equipment must be set up and thoroughly tested before the event, with no broken faders / buttons.

06 Minimum of **3 power sockets** in the DJ booth.

07 Table space in the DJ booth for bags and other accessories.

08 Sufficient lighting in the DJ booth.

09 **USB / Laptop:** USB primary, laptop backup – artist brings own laptop with link cable.

// 02 HOSPITALITY RIDER

AT THE VENUE

01 **Guest list: 2 invitations** (free of charge) to join the artist in the stage area and green room before and after the performance.

02 A selection of beverages in the DJ booth and green room to share with guests, including **water, a 6-pack Red Bull Sugarfree and wine**.

THANK YOU FOR YOUR SUPPORT.
